Department Tourism  
Government of Rajasthan
INTRODUCTION

The Ministry of Tourism, Government of India (MoT, GoI) has planned to launch Special Tourism Zone with a vision to develop theme based tourist zones on the principles of high tourist value, competitiveness and sustainability in an integrated manner by synergizing efforts to focus on needs and concerns of all stakeholders to enrich tourist experience and enhance employment opportunities. Department of Tourism, Government of Rajasthan intends to appoint Tourism Infrastructure Consultants who can prepare the Special Tourism Zone (STZ), Conceptual Project Report for identified projects under STZ and prepare the DPR and Bid documents for the same as per the guidelines issued by Ministry of Tourism, Government of India.

Concept of the Special Tourism Zone

State Government shall formulate a plan for development of Special Tourism Zone with stakeholder consultations. A National level committee shall evaluate the proposal in a 2 stage process on the lines of Smart Cities challenge proposal. A successful project shall have the following attributes:

- Potential to be showcased as world class destination with diverse tourism experiences
- Development of an area of at least 300 acres which will be provided by respective State Government
- Should have an overall tourism theme with feasibility of various sub-themes
- Proximity to existing destinations with connectivity and other infrastructure
- Proximity to transport hub etc.
- Should generate accommodation of above
- Potential for job creation and livelihood enhancement in the region
- Conservation and promotion of the local arts, cultural, handicrafts, cuisine etc. at the destination
- Ability to attract investment in private sector/PPP with specific provisions.
- Follow a comprehensive area development approach for ensuring all the facilities required by the tourists in the identified zone
- Robust Operation and Management plan (O&M) as per pre-agreed service standards evaluated periodically by an independent agency
- Should be able to leverage incentives like reduced stamp duty, registration charges etc. offered by the State Governments

Objectives of the Special Tourism Zone

- To position tourism as a major engine of economic growth and job creation;
- Promote cultural and heritage value of the country to generate livelihoods in the identified regions;
- Enhancing the tourist attractiveness in a sustainable manner by developing world class infrastructure;
• Should create both direct and indirect employment.
• Create livelihood and improved living standards for the local community.
• Overall development of the area
• To leverage the advantages in terms of available infrastructure, culture and unique facets of every region.

Special Tourism Zone – Scope of Work

• Creating mechanism for third party evaluation of the scheme and individual projects shall be done from time to time.
• Preparation of Special Tourism Zone Plan
• Project conceptualization & Pre-Feasibility reports
• Assisting in CPR evaluation by Project Scrutiny Committee (PSC)
• Once CPR approved by PSC, preparation of Preliminary Project Report, Detailed Project Reports, BOQs, estimates
• Secure approvals for the projects from Ministry of Tourism/SPV and various implementing agencies
• Preparation of Bid document, Bid Process Management, EPC & O&M contract management
• Act as a Transaction Advisor for PPP projects
• Undertaking supervisory consultancy (Programme Management Consultant) during construction.
• Dealing with Institutional & Regulatory Issues & Clearances
• The Conceptual Project Report (CPR) in a format prescribed by the ministry of Tourism, GOI shall be formulated in consultation with DOT, Rajasthan after conducting a diagnostic study of the requirements of Tourism theme and infrastructure in the specific location and based on demand and potential.
• Assistance in CPR evaluation by Project Scrutiny Committee (PSC) which will be assisted by the National PMC appointed by MoT
• As proposal will be evaluated on the lines of the Smart City Challenge, therefore it should be consistent with it.
• After shortlisting assistance for approval to Project Approval Committee (PAC).
• The Project would be site and theme specific (as decided by the department) and shall take into consideration techno-commercial feasibility of members of STZ.
• All work related to formation of a separate Special Purpose Vehicle (SPV) will be formed with the representatives of Government of India, State Government Private Infrastructure Developers & financial institutions etc. wherever feasible
• Detailed Project Report in prescribed format will be prepared by the Design and supervision consultant (DSC) appointed by the SPV.
• Part of the DPR would be a 10 to 20 year strategic vision, strategy, and action plan for developing tourism in a sustainable manner for the benefit of local residents, investors and tourism operators.
• Once DPR is submitted to the Ministry of Tourism, Project Scrutiny Committee will vet the project and recommend it to Project Approval Committee for further approval and disbursement of funds. Thus all work related to this process will be done by the consultant.
• SPV would be responsible for execution of the project and will be assisted by the appointed DSC. Thus all work related to this process will be done by the consultant.
• PMC would support SPV and DSC on timely and efficient closure of the project. Thus liason and co-ordination with PMC will be ensured.

Qualities that are expected as essential attributes for selection of consultant:

• Development and knowledge of Modern Tourism concepts
• Delivery of Quality projects DPRs within tight timelines and MOT, GOI guidelines and working schedule.
• Adapting to the SPV requirements
• Proactive staff with capacity to work long hours and give output as per department time framework and requirements.
Selection Criteria:

The above team shall be supported with necessary support staffs, such as architects, surveyors, geotechnical and other experts / specialists as required to ensure that the objectives of the assignment are achieved within the stipulated timelines.
b. The Curriculum Vitae of the proposed personnel will be considered and evaluated as per Terms of Reference, if the prescribed minimum qualification is not fulfilled, then the Curriculum Vitae of the proposed personnel will be marked as Zero and the same will be considered zero.

Total marks for (I) + (II) + (III) - 100 marks (i.e. 60 (Technical Evaluation) + 20 (Methodology, Work Plan and Technical Presentation) + 20 (Team Composition))

A minimum score of 70% is required for qualifying in the technical bid.

A proposal shall be rejected at this stage if it does not respond to important aspects of the Terms of Reference or if it fails to achieve the minimum technical score indicated.

(b) Financial Evaluation

The consultant shall submit Financial bid on percentage basis inclusive of all taxes and GST. Any conditional bid shall not be accepted.

Consultancy firms/ organizations who score above the minimum Technical score shall only qualify for further consideration. Financial Proposal of the qualified consultancy firms/ organizations shall ONLY be opened with intimation to the qualified Consultancy firms/ organizations. Firms/ organization requested to quote their fees as a percentage of the project allotment without any conditions. GST, as applicable, shall be paid by the Department of Tourism, & TDS deducted as per Govt rules.

- Financial bid will not be opened if earnest money of Rs. 40 lac (refundable) is not submitted by the bidder with the Technical Bid. EMD of unsuccessful bidders will be returned within one month of award of contract. EMD of successful bidder will be retained as performance security till the completion of project.

(i) The Department of Tourism, will determine whether the Financial Proposals are complete, and correct any computational errors, if any.

(ii) The lowest Financial quote (Fm) will be given a financial score (Sf) of 100 points. The financial quote (Sf) of the other Financial Proposals will be computed as follows:-

\[ S_f = 100 \times \frac{F_m}{F} \]

in which \( S_f \) is the financial score, \( F_m \) is the lowest quote and \( F \) the quote of the proposal under consideration.

(iii) the Decision of the department will be final and binding upon all bidders.

(c) Ranking

Proposals will be ranked according to their combined technical (St) and financial (Sf) scores, giving 70% weight to the Technical Score and 30% weight to the Financial Score.

The lowest evaluated Financial Proposal (Fm) is given the maximum financial score (Sf) of 100. The formula for determining the financial scores (Sf) of all other Proposals is calculated as following:
Sf = 100 x Fm/ F, in which “Sf” is the financial score, “Fm” is the lowest price, and “F” the price of the proposal under consideration. The weights given to the Technical (T) and Financial (P) Proposals are: T = 0.7, and P = 0.3. Proposals are ranked according to their combined technical (St) and financial (Sf) scores using the weights (T = the weight given to the Technical Proposal; P = the weight given to the Financial Proposal; T + P = 1) as following: S = St x T% + Sf x P%.

- **Declaration of the award of contract**

  Information relating to evaluation of proposal and the recommendation concerning awards shall not be disclosed to the Consultancy firms/organizations who submit the proposal or to other persons not officially concerned with the process, until the award of contract is notified to the successful Consultancy firm.

- **Award of Contract**

  i) Department of Tourism, will notify the successful Consultancy firm/organization in writing by a Registered Letter/Courier/Speed Post or Bearer that the proposal has been accepted.

  ii) An agreement shall be signed between Department of Tourism, & the selected consultancy firm laying down the conditions of work, payment etc.

Additional Conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

i. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;

ii. If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and

iii. If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity’s Right to Vary Quantities

(i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract.

(ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.

(iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the
Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the Supplier.

3. Dividing quantities among more than one Bidder at the time of award (In case of procurement of Goods)

(i) As a general rules all the quantities of the subject matter of procurement shall be procured from the Bidder, whose Bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the Bidder, whose Bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, in such cases, the quantity may be divided between the Bidder, whose Bid is accepted and the second lowest Bidder or even more Bidders in that order, in a fair, transparent and equitable manner at the rates of the Bidder, whose Bid is accepted.
