Background and Scope of Work

Rajasthan, the largest state of India, is blessed with natural beauty and a rich cultural heritage. Its architectural marvels built with intricate detail, vibrant colours, exquisite handicrafts, glittering gems, lively towns, wildlife sanctuaries, cattle fairs, pulsating festivities, and heartfelt hospitality are major attractions for tourists from across the world. The state is home to several UNESCO World Heritage Sites in addition to numerous protected monuments of historical and architectural significance.

To support the efforts of promotion of tourism, the Department develops and produces a wide range of creative publicity and communication materials that effectively showcase Rajasthan's tourism offerings. These materials are disseminated among tourists, industry stakeholders, and members of the travel trade for providing information, wider reach and visibility.

To strengthen its tourism promotion efforts, the Department seeks to engage reputed firms in the business of designing and developing creative ideas for the production of high-quality print.

Scope of Work

Rate Contract agency will undertake creative and production assignments related to the designing and development of print publicity literature and other collateral, maintenance and cataloguing of creative assets, adaptation, translation, and replication of existing or new creatives in Indian and foreign languages, as required.

Additional Conditions of Contract

1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- ii. If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the bidding Document. It shall be without any change in the unit prices or other terms and conditions of the bid and the conditions of contract.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the bidding Document due to change in circumstances, the bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (iii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the Supplier.

3. Dividing quantities among more than one Bidder at the time of award (In case of procurement of Goods)

- (i) As a general rule all the quantities of the subject matter of procurement shall be procured from the bidder, whose Bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the bidder, whose Bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, in such cases, the quantity may be divided between the bidder, whose Bid is accepted and the second lowest Bidder or even more Bidders in that order, in a fair, transparent and equitable manner at the rates of the bidder, whose Bid is accepted.
